Spoke with Lee Brown 9-11-02, noted the new US Mag bond was due 9-24, and that we couldn't accept the bond until the permit had been transferred. I further indicated we need 3 documents to avoid a "mining without a permit" scenario: 1. Permit transfer form completed, 2, Reclamation Contract form completed, 3. Surety with appropriate paperwork. Are there other??

Lee indicated he'd put Mike M. to work on this. I indicated Wayne would be OGM contact.
